PRELIMINARY AMENDMENT

Box Non-Fee Amendment  
Commissioner for Patents  
Washington, D.C. 20231

Dear Sir:

Please amend the above referenced application prior to examination as follows.

In the claims:

1. (Once amended) A method of forming an intermediate compound for preparing a target compound with different functionality comprising:
- (a) preparing two or more protection groups comprising building block units linked together;
  - (b) forming a protected compound comprising two or more protection groups, wherein at least two of the protection groups contain a different number of building block units;
  - (b) removing a terminal building block unit of each protection group using one or more chemical, electrochemical, or photolytic reactions to produce an exposed functional group;
